Investment Strategy	<p>The scheme is an open-ended debt scheme that seeks to provide regular income through a portfolio of debt and money market instruments consisting predominantly of securities issued by entities such as Banks, Public Sector Undertakings (PSUs), Public Financial Institutions and Municipal Bonds.</p> <p>The key factors of the investment strategy of the scheme are :</p> <ol style="list-style-type: none"> Identifying attractive opportunities on the basis of the government policies, economic development, monetary policy, research report and overall economic conditions and development. The issuer/companies selection for investment exposure would be based on financial parameters such as fundamentals of business, quality of management, turnover, financial strength of the company and the key earnings drivers, net worth, Interest coverage ratio, profitability track record and the liquidity of the securities/instruments. Issuer/companies, which meet the initial selection norms, are then evaluated on the financial norms for consideration in the investments. The scheme will emphasize on well managed, with above average growth prospects whose securities can be purchased at a good yield and whose debt securities will be mainly in securities listed as investments grade by a recognized authority like CRISIL, ICRA, CARE etc. Investment in sovereign papers would be based on the interest rate expectations arising out of macroeconomic analysis. This includes analysis of inflation data, & trends in macro variables such as credit growth, liquidity, money supply, fiscal numbers & global interest. <p>Please refer to the SID for detailed information on the investment strategy.</p>			
Risk Profile of the scheme	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:</p> <p>Risks associated with securities issued by Banks and PSUs : The risks associated with debt and money market securities issued by banks and PSUs are perceived to be lower compared to other fixed income instruments. However, these entities are unique in terms of being heavily regulated and affected by government policies, which could impact the credit profile of these issuers.</p> <p>Interest Rate Risk: As with all debt and money market instruments, changes in interest rates will affect the scheme's Net Asset Value as the prices of securities generally increase as interest rates decline and decrease as interest rates rise.</p> <p>Liquidity or Marketability Risk: This refers to the ease at which a security can be sold at or near its true value. The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer.</p> <p>Credit Risk: Credit risk or default risk refers to the risk which may arise due to default on the part of the issuer of the fixed income security (i.e. will be unable to make timely principal and interest payments on the security).</p> <p>Reinvestment Risk: This risk refers to the interest rate levels at which cash flows received from the securities in the scheme or from maturities in the scheme are reinvested. The additional income from reinvestment is the "interest on interest" component. The risk refers to the fall in the rate for reinvestment of interim cash flows.</p> <p>Risks associated with transaction in Units through Stock Exchange mechanism: Allotment and/or redemption of Units through NSE or BSE or any other recognized stock exchange on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing, settlement, etc., upon which the scheme has no control. Moreover, transactions conducted through the stock exchange mechanism will be governed by the operating guidelines and directives issued by the relevant recognized stock exchange.</p> <p>Please refer SID for risks associated with investing in derivatives, REITs and InvITs, securitized debt, repo in corporate debt securities and Foreign Securities. Please read the SID carefully for details on risk factors before investing.</p>			
Risk management strategy	Investment in money market securities carries various risks such as inability to sell securities, trading volumes and settlement periods, interest rate risk, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification.			

Plans and Options	<p>The scheme will have two plans thereunder viz. Regular Plan and Direct Plan.</p> <p>The Direct Plan is meant for direct investments, i.e. for investors who purchase/subscribe to the units of the scheme directly with the Fund and is not available for investors who route their investments through a distributor, while the Regular Plan is meant for investors who route their investments through distributors only.</p> <p>Both Plans will have a common portfolio but the Direct Plan will have a lower expense ratio on account of absence of brokerage and commission. Hence, both Plans will have distinct NAVs.</p> <p>Each of the Plans will have the following options:</p> <ul style="list-style-type: none"> • Growth Option (default option in case no option specified by investor); • Dividend Option <p>The Dividend option offers the following sub-options:</p> <ul style="list-style-type: none"> • Monthly Dividend (Default sub-option in case no sub-option is selected by the investor) • Quarterly Dividend <p>Each of the above sub-options offer the facilities of Pay-out and Re-investment (default).</p> <p>If the Dividend under the Payout facility is less than or equal to ₹ 200, it will, by default, be reinvested.</p> <p>In order to have a uniform disclosure on treatment of applications under "Direct" / "Regular" Plans, the following disclosures are made :</p> <table border="1" data-bbox="336 422 1513 657"> <thead> <tr> <th>Scenario</th> <th>Broker Code mentioned by the investor</th> <th>Plan mentioned by the investor</th> <th>Default Plan to be captured</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>Not mentioned</td> <td>Not mentioned</td> <td>Direct Plan</td> </tr> <tr> <td>2</td> <td>Not mentioned</td> <td>Direct</td> <td>Direct Plan</td> </tr> <tr> <td>3</td> <td>Not mentioned</td> <td>Regular</td> <td>Direct Plan</td> </tr> <tr> <td>4</td> <td>Mentioned</td> <td>Direct</td> <td>Direct Plan</td> </tr> <tr> <td>5</td> <td>Direct</td> <td>Not mentioned</td> <td>Direct Plan</td> </tr> <tr> <td>6</td> <td>Direct</td> <td>Regular</td> <td>Direct Plan</td> </tr> <tr> <td>7</td> <td>Mentioned</td> <td>Regular</td> <td>Regular Plan</td> </tr> <tr> <td>8</td> <td>Mentioned</td> <td>Not mentioned</td> <td>Regular Plan</td> </tr> </tbody> </table> <p>In cases of wrong/ invalid/ incomplete ARN codes mentioned on the application form, the application shall be processed under Regular Plan. You may avail of this facility by using the "Multiple Bank Accounts Registration Form", available at ISCs and on the website of the AMC, www.barodamf.com.  - If no "Default Bank Account" is specified, the AMC reserves the right to designate any of the bank accounts as the "Default Bank Account". Default Bank Account will be used for all redemption payouts, if no other registered bank account is specified in the redemption request for receiving redemption proceeds, or if a new unregistered bank account is specified in the redemption request for receiving redemption proceeds.
 - New bank accounts/change of bank mandate can be registered using the Multiple Bank Accounts Registration Form or through a standalone separate Change of Bank Mandate form, as mentioned earlier. Investors (being individuals) applying for Micro SIP registrations are exempt from mandatory requirement of PAN submission. Such set of customers, however, need to complete the necessary KYC requirements, and get a unique reference number from the KRA's system called PAN Exempt KYC Reference No. (PEKRN).

A copy of the KRA issuance letter containing PEKRN should be attached with each application/ transaction.

- In the event of any Application Form being subsequently rejected for mismatch of applicant's PAN details with the details on the website of the Income Tax Department, the investment transaction will be cancelled and the amount may be redeemed at the applicable NAV, subject to levy of exit load, if any. Please contact any of the Investor Service Centres / Registrar / Distributors or visit our website, www.barodamf.com, for further details.

2. KYC :

- To simplify KYC norms and make them more investor friendly and uniform across all intermediaries registered with SEBI, SEBI has recently laid down certain changes in the KYC process. The primary objective behind this is to eliminate duplication of KYC across intermediaries in the securities market. For this purpose, KYC registration is being centralized through KYC Registration Agencies ("KRA") registered with SEBI. Thus, each investor has to undergo a uniform KYC process only once in the securities market and the details would be shared with other intermediaries by the KRAs. CDCSL Ventures Ltd. ("CVL"), who was retained by mutual funds for centralized registration and record keeping of KYC records, has obtained SEBI registration as a KRA. Further, SEBI has mandated an In Person Verification ("IPV") of clients to be carried out as part of KYC. IPV shall be a one-time process, and once it is carried out by an intermediary, may be relied upon by other intermediaries also. For mutual funds, IPV may be carried out by the AMC or by the Registrar, or by Know Your Distributor ("KYD") compliant distributors who hold valid certifications issued by the National Institute of Securities Market ("NISM")/ Association of Mutual Funds in India ("AMFI") for their own clients or by Scheduled Commercial Banks (SCB).
- Under the new uniform KYC norms, the following shall be applicable for investing in the Scheme under this KIM :

- For New Investors who are not KYC compliant under the erstwhile or new KYC norms:
 - KYC Application Form to be used, which is attached along with the application.
 - IPV/ Document verification to be done by the Registrar/AMC/KYD compliant distributors/SCBs.
 - Acknowledgement to be issued to the investor to facilitate subsequent investments from the investor.
 - KYC application and necessary documents should either come along with a financial transaction or when the account is opened. This is in line with demat and bank account opening process.
 - For New Investors who have already done their KYC with any other SEBI registered intermediary under the new KYC norms: a. Such KYC compliant investors would not be required to do KYC again.
 - For Existing Investors in the MF Industry: They will not be required to do KYC again.
- Investors who have completed their Centralised KYC (CKYC) and have obtained KYC Identification Number (KIN) from the Central KYC Records Registry (CKYCR), may quote their KIN while investing.
 - KYC compliance with a KRA and enclosing the KYC Acknowledgement along with the Application Form are mandatory for all investors, including individuals, non-individuals, NRIs and channel investors, irrespective of the amount of application/value of transaction. Applicants applying for units through a PoA must ensure that the KYC Acknowledgement of both the issuer of the PoA and the holder of the PoA are enclosed along with the Application Form. The KYC Acknowledgement referred above will be issued by the KRA when an investor submits to the KRA, a KYC application and the prescribed documents. This KYC Acknowledgement is issued by the KRA as a token of having verified the identity and address of the investor(s) and for efficient retrieval of records.
 - KYC status will be validated with the records of the KRA before allotting units. The Fund/AMC will not be held responsible and /or liable for rejection of KYC Form by the KRA. Where it is not possible to verify the KYC compliance status of the investor at the time of allotment of units, the Registrar/AMC/Trustee shall verify the KYC compliance status of the investor within a reasonable time after the allotment of units. In the event of non-compliance of KYC requirements, the Trustee / AMC reserves the right to freeze the folio of the investor(s) and effect mandatory redemption of unit holdings of the investors at the applicable NAV, subject to levy of exit load, if any. In case of an investor applying for CKYC effective February 1, 2017, if there is a mismatch in the name appearing in the CKYC application form and the one mentioned in the Proof of Identity (POI) document, CERSAI will reject the CKYC application. Investors are, therefore, advised to ensure that their names appearing in the CKYC application form and in the POI document are same.
 - Please note that you need to comply with the KYC requirements by submitting requisite documents to the Registrar/AMC/Fund or any SEBI registered KRA and attaching the KYC Acknowledgement with the Application Form. For more information, please log on to www.cvlinia.com / www.amfindia.com, before investing.

Applications are liable to be rejected if KYC requirements are not complied with by all the applicants, and if KYC acknowledgement is not enclosed with the Application Form.

Please note that KYC applicability norms for various investor categories may change anytime in future. Hence, with a view to avoiding rejections, investors are requested to apprise themselves about KYC applicability before submitting their transactions.

In order to safeguard the interests of applicants and avoid fraudulent transactions in any other name, the Fund does not generally accept Third Party Payments. The first applicant has to be one of the joint holders of the bank account from which the payment is made via cheque/Funds transfer/RTGS/NEFT. Therefore, please mention the bank account number, bank name & branch address from where the payment is issued and ensure that they match with details on the payment instrument, where applicable.
 - Where the payment instrument does not mention the bank account holder's name(s), please attach bank pass book copy/bank statement (showing the account number, account holder's name and address)/bank letter (mentioning details like bank account number, branch address, account type etc.), with a view to substantiating that the first applicant is one of the joint holders of the bank account concerned.
 - In case of RTGS, NEFT, ECS, bank transfer etc., please submit an acknowledged copy of the instruction to the bank stating the account number to be debited.
 - In specific and exceptional situations where Third Party payments are permitted, such as (i) payment by parents / grand parents / related persons* on behalf of a minor (other than by a registered guardian) in consideration of natural love and affection or as gift for value not exceeding ₹ 50,000 for each purchase or (ii) payment by a custodian on behalf of an FII or a client, and (iii) payment by an employer on behalf of employees, KYC of the investor and KYC of the person making the payment are both mandatory, irrespective of the amount. Nomination can be made only by individuals applying for/holding units on their own behalf singly. APPLICATION SUPPORTED BY BLOCKED AMOUNT (ASBA) INSTRUCTIONS

What is ASBA?

ASBA is an application for subscribing to an NFO, and contains an authorization to block the application money in a bank account.

What is a Self Certified Syndicate Bank (SCSB)?

An SCSB is a banker to an issue which is registered with SEBI and offers the facility of applying through the ASBA process. Please visit www.sebi.gov.in/pmd/scsb.html or www.nseindia.com for the list of currently available SCSBs offering ASBA facility through their designated branches.

Key points with regard to investing through ASBA

1. If you wish to invest using the ASBA facility, please submit the ASBA Application Form at any of the designated branches of an SCSB with which you hold a bank account which is intended to be blocked for the subscription amount and will be mentioned as such in the ASBA Application Form ("Bank Account"). Please check with your bank branch to confirm whether the branch offers ASBA facility. You may submit the ASBA application form physically or electronically. In case you wish to submit the ASBA Application Form in physical mode, you may submit it at any of the designated branches of the SCSB concerned. If, however, you wish to submit the ASBA Application Form in electronic form, you may submit the ASBA Form either through the internet banking facility available with the SCSB concerned, or through any other electronically enabled mechanism for subscribing to the units of the scheme, which authorizes the SCSB concerned to block the subscription money. Please note that the ASBA Application Form will not be accepted by Baroda Asset Management India Limited ("AMC") any of the Investor Service Centres or the Registrar, KFin Fintech Private Limited ("Registrar").
2. Please ensure that you mention in the ASBA Application Form, the correct number of your Bank Account with the SCSB concerned, and that funds equal to your subscription amount are available in the said bank account at the time of submission of the ASBA Application Form in physical or electronic form.
3. Upon submission of the ASBA Application Form with the SCSB concerned, whether in physical or electronic mode, you shall be deemed to have agreed to block the entire subscription amount specified in the said firm, and have authorized the designated branch of the SCSB concerned to block such amount in the Bank Account. Please note the following in respect of your submission of form with the SCSB concerned:
 - a) The SCSB concerned will not accept any ASBA after 3.00 p.m. on December 19, 2014.
 - b) The SCSB concerned will give you an acknowledgment for the receipt of the ASBA Application Form.
4. On the basis of the authorization given by you through the ASBA Application Form, the SCSB concerned will block the subscription money in the Bank Account. The subscription money will remain blocked in the Bank Account till allotment of units under the Scheme or till rejection of the application or refund, as the case may be.
5. If the Bank Account does not have sufficient credit balance to meet the subscription money, the ASBA application will be rejected by the SCSB concerned.
6. Please do not enclose along with the ASBA Application Form, a cheque, or any mode of payment, as the ASBA Application Form contains an authorization to block the subscription amount in the Bank Account.
7. Please submit a copy of the acknowledgment receipt of the ASBA Application Form (as submitted with the SCSB concerned) along with the NFO application form at any of the official points of acceptance for the AMC.
8. The AMC, the Registrar, and the Trustee to Baroda Mutual Fund shall not be liable for any negligence or mistake committed by SCSBs.
9. All grievances relating to the ASBA facility may be addressed to the AMC / Registrar, with a copy to the SCSB concerned, giving full details such as name, address of the applicant, subscription amount blocked on application, Bank Account number and the designated Branch or the collection centre of the SCSB where the ASBA Form was submitted.
10. The ASBA facility will operate in accordance with applicable SEBI guidelines in force from time to time.
11. For details on transaction charges, please refer the Instruction VIII of the NFO Application Form.
