The investment universe may also include Initial Public Offerings (IPOs), whose market capitalization would meet the above criteria. The scheme may invest in foreign securities upto 25% of its net assets subject to maximum of US\$ 1 billion in the aggregate at the Mutual Fund level, as per the SEBI circular nos. SEBI/IMD/CIR No.7/104753/07 dated September 26, 2007, SEBI/IMD/CIR no. 2 / 122577 / 08 dated April 8, 2008, SEBI/HO/IMD/DF3/CIR/P/2020/225 dated November 05, 2020 and SEBI/HO/IMD/IMD-II/DOF3/P/CIR/2021/571 dated June 03, 2021. The scheme may invest in securitized debt upto 20% of its net assets. The Scheme will not invest in foreign securitized debt. The Scheme will invest in debt instruments of investment grade and/or unrated debt securities. "Investment grade" means investment grade by a credit rating agency authorised to carry out such activity under the Regulations. The scheme may take derivative positions based on the opportunities available subject to the guidelines issued by SEBI from time to time, and in line with the overall investment objective of the Scheme. These may be taken to hedge or rebalance the portfolio, or to undertake any other strategy as may be permitted under the Regulations from time to time. However, the scheme does not intend to take any position in fixed income derivatives including interest rate swaps. The cumulative gross exposure through equity, debt (if any), derivative position and REITS and InvITs shall not exceed 100% of the net assets of the Scheme. It must be clearly understood that the percentages stated above are only indicative and not absolute, and that they can vary substantially, depending upon the perception of the Investment Manager; the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern will be for a short term and for defensive considerations only. In the event of such a deviation, the fund manager will rebalance the portfolio within 30 days from the date of deviation. If, however, the portfolio is not rebalanced within the said 30 days, justification for not rebalancing will be placed before the Investment Committee of the AMC and effective steps would be taken as may be decided by the Investment Committee. At all points of time, the portfolio will be in line with the investment objective of the Scheme. Investors may please note that any change in the asset allocation pattern, other than that envisaged above, and hence affecting the investment profile of the Scheme, shall be construed as a change in fundamental attribute, and shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the Regulations.				
Risk Profile of the Scheme	Mutual Fund Units involve investment risks, including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific risk factors are summarized below: Risks associated with investing in equity and equity related securities <ul style="list-style-type: none"> Equity instruments carry both company specific and market risks and hence no assurance of returns can be made in respect of these investments. Equity and equity related securities are prone to daily price fluctuations and the liquidity of investments made in the Scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly due to unforeseen circumstances. The inability of the Scheme to make intended securities purchases, due to settlement problems, could cause the Scheme to miss certain investment opportunities. Likewise, the inability to sell securities held in the Scheme's portfolio could result, at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Scheme's portfolio. Also, the value of the Scheme's investments may be affected by fluctuations in interest rates, currency exchange rates, changes in laws/policies of the government, taxation laws and political, economic or other developments which may have an adverse bearing on individual securities, a specific sector or all sectors. Risks associated with transaction in Units through Stock Exchange mechanism: Allotment and/or redemption of Units through NSE or BSE or any other recognized stock exchange on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing, settlement, etc., upon which the scheme has no control. Moreover, transactions conducted through the stock exchange mechanism will be governed by the operating guidelines and directives issued by the relevant recognized stock exchange. Please refer Scheme Information Document (SID) for risk associated with investing in REITS and InvITs, securitized debt and Foreign securities.			
Risk Mitigation / Management Strategy	Investments in equity and equity related securities carry various risks such as inability to sell securities, trading volumes and settlement periods, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification and hedging. Further, the portfolio of a scheme will be constructed in accordance with the investment restrictions specified under the SEBI (Mutual Funds) Regulations, which would help in mitigating certain risks relating to investments in securities market. Investment in debt securities carries various risks such as inability to sell securities, trading volumes and settlement periods, interest rate risk, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification.			
Plans & Options	The Scheme has the following Plans: (i) Plan A - Plan A is meant for investors who route their investments through distributors only. (ii) Plan B (Direct) - Plan B (Direct) is meant for direct investments, i.e. for investors who purchase/subscribe to the units of the Scheme directly with the Fund, and is not available for investors who route their investments through a Distributor. Both Plans will have a common portfolio, but Plan B (Direct) will have a lower expense ratio on account of absence of brokerage and commission. Hence both Plans will have distinct NAVs. Also, the Options / Sub-Options will be available under both Plan A and Plan B (Direct). The details of Options / Sub-Options (available under each Plan) are as under: (a) Growth Option (Default) (b) Dividend Option - Payout Sub-Option and Reinvestment sub-Option (Default). If the Dividend under the Payout Option of the Scheme is less than or equal to ₹ 200, it will, by default, be reinvested under the Reinvestment sub-option. Further, pursuant to SEBI circular no. SEBI/HO/IMD/DF3/CIR/P/2020/194 dated October 05, 2020, Unitholders are requested to take note that with effect from April 01, 2021, existing nomenclature of the "Dividend Option(s) / Sub-option(s)" as mentioned above is read in the following manner: The Scheme offers: A. Growth Option (default option in case no option specified by investor); B. Income Distribution Cum Capital Withdrawal Option ("IDCW") Option a. Payout of Income Distribution Cum Capital Withdrawal Option; b. Re-investment of Income Distribution Cum Capital Withdrawal Option (default sub-option in case no sub-option specified by investor) If the IDCW under the Payout Option of the Scheme is less than or equal to Rs. 200, it will, by default, be reinvested under the Reinvestment sub-option. Reinvestment of IDCW sub-option shall not be available to investors who transact through the stock exchange in dematerialized mode. Further, unitholders are requested to note that, the amounts can be distributed out of investors capital (Equalization Reserve), which is part of sale price that represents realized gains. 3. Multiple Bank Accounts Registration Facility and Updation of Bank Accounts :
 - The Fund offers its investors the facility to register multiple bank accounts for pay-ins & pay-outs and designate one such registered bank account as "Default Bank Account". Individuals, HUFs and sole proprietary firms can register upto five bank accounts and a non-individual investor can register upto ten bank accounts in a folio. You may avail of this facility by using the "Multiple Bank Accounts Registration Form", available at ISCs and on the website of the AMC, www.barodamf.com. You may update the bank accounts in your account/folio at any time either through the aforesaid Multiple Bank Accounts Registration Form or through a standalone separate Change of Bank Mandate form. You may download the multiple Bank Form from our website www.barodamf.com.
 - If no "Default Bank Account" is specified, the AMC reserves the right to designate any of the bank accounts as the "Default Bank Account". Default Bank Account will be used for all redemption payouts, if no other registered bank account is specified in the redemption request for receiving redemption proceeds, or if a new unregistered bank account is specified in the redemption request for receiving redemption proceeds.
 - New bank accounts/change of bank mandate can be registered using the Multiple Bank Accounts Registration Form or through a standalone separate Change of Bank Mandate form, as mentioned earlier. In case a Unit holder provides a new and unregistered bank mandate or a change of bank mandate request along with a specific redemption/dividend payment request (with or without necessary supporting documents), such bank account will not be considered for payment of redemption/dividend proceeds.  - For any request for change of bank mandate/registering a new Bank account using the Multiple Bank Accounts Registration Form or a standalone Change of Bank Mandate form, please enclose, in respect of the new Bank Account:

- Valid change of bank mandate requests with supporting documents will be processed within ten days of the documents reaching the head office of the Registrar, and any financial transaction request received in the interim will be carried out based on the previously registered details. Please note that a new unregistered bank account specified in any redemption request for receiving redemption proceeds will not be considered.

- Registered bank accounts may also be used for verification of pay-ins (i.e. receiving subscription funds) to ensure that a third-party payment instrument is not used for subscription. - Where the applicant is a minor and does not possess his / her own PAN, he / she shall quote the PAN of his/ her father or mother or the court appointed legal guardian, as the case may be.
- In order that the AMC/Registrar may verify that the PAN of the applicants (in case of application in joint names, each of the applicants) has been correctly quoted in the Application Form, please attach along with the Application Form, a photocopy of the PAN card self-certified, or provide the original PAN Card for verification. - Applications (i) by investors residing in the state of Sikkim, (ii) by officials appointed by courts such as official liquidator, court receiver etc. and (iii) for subscription by the Central Government and/or a State Government are exempt from the mandatory requirement of PAN, however sufficient documentary evidence shall have to be submitted to enable verification that they are residents of the state of Sikkim. Investors (being individuals) applying for Micro SIP registrations are exempt from mandatory requirement of PAN submission. Such set of customers, however, need to complete the necessary KYC requirements, and get a unique reference number from the KRA's system called PAN Exempt KYC Reference No. (PEKRN).
A copy of the KRA issuance letter containing PEKRN should be attached with each application/ transaction.
- In the event of any Application Form being subsequently rejected for mismatch of applicant's PAN details with the details on the website of the Income Tax Department, the investment transaction will be cancelled and the amount may be redeemed at the applicable NAV, subject to levy of exit load, if any. Please contact any of the Investor Service Centres / Registrar / Distributors or visit our website, www.barodamf.com, for further details.

2. KYC :

- To simplify KYC norms and make them more investor friendly and uniform across all intermediaries registered with SEBI, SEBI has recently laid down certain changes in the KYC process. The primary objective behind this is to eliminate duplication of KYC across intermediaries in the securities market. For this purpose, KYC registration is being centralized through KYC Registration Agencies ("KRA") registered with SEBI. Thus, each investor has to undergo a uniform KYC process only once in the securities market and the details would be shared with other intermediaries by the KRAs. CDSL Ventures Ltd. ("CVL"), who was retained by mutual funds for centralized registration and record keeping of KYC records, has obtained SEBI registration as a KRA. Further, SEBI has mandated an In Person Verification ("IPV") of clients to be carried out as part of KYC. IPV shall be a one-time process, and once it is carried out by an intermediary, may be relied upon by other intermediaries also. For mutual funds, IPV may be carried out by the AMC or by the Registrar, or by Know Your Distributor ("KYD") compliant distributors who hold valid certifications issued by the National Institute of Securities Market ("NISM")/ Association of Mutual Funds in India ("AMFI") for their own clients or by Scheduled Commercial Banks (SCB).
- Under the new uniform KYC norms, the following shall be applicable for investing in the Scheme under this KIM :
 - For New Investors who are not KYC compliant under the erstwhile or new KYC norms:
 - KYC Application Form to be used, which is attached along with the application.
 - IPV/ Document verification to be done by the Registrar/AMC/KYD compliant distributors/SCBs.
 - Acknowledgement to be issued to the investor to facilitate subsequent investments from the investor.
 - KYC application and necessary documents should either come along with a financial transaction or when the account is opened. This is in line with demat and bank account opening process.
 - For New Investors who have already done their KYC with any other SEBI registered intermediary under the new KYC norms: a. Such KYC compliant investors would not be required to do KYC again.
 - For Existing Investors in the MF Industry: They will not be required to do KYC again.
- Investors who have completed their Centralised KYC (CKYC) and have obtained KYC Identification Number (KIN) from the Central KYC Records Registry (CKYCR), may quote their KIN while investing.
- KYC compliance with a KRA and enclosing the KYC Acknowledgement along with the Application Form are mandatory for all investors, including individuals, non-individuals, NRIs and channel investors, irrespective of the amount of application/value of transaction. Applicants applying for units through a PoA must ensure that the KYC Acknowledgement of both the issuer of the PoA and the holder of the PoA are enclosed along with the Application Form. The KYC Acknowledgement referred above will be issued by the KRA when an investor submits to the KRA, a KYC application and the prescribed documents. This KYC Acknowledgement is issued by the KRA as a token of having verified the identity and address of the investor(s) and for efficient retrieval of records.
- KYC status will be validated with the records of the KRA before allotting units. The Fund/AMC will not be held responsible and /or liable for rejection of KYC Form by the KRA. Where it is not possible to verify the KYC compliance status of the investor at the time of allotment of units, the Registrar/AMC/Trustee shall verify the KYC compliance status of the investor within a reasonable time after the allotment of units. In the event of non-compliance of KYC requirements, the Trustee / AMC reserves the right to freeze the folio of the investor(s) and effect mandatory redemption of unit holdings of the investors at the applicable NAV, subject to levy of exit load, if any. In case of an investor applying for CKYC effective February 1, 2017, if there is a mismatch in the name appearing in the CKYC application form and the one mentioned in the Proof of Identity (POI) document, CERSAI will reject the CKYC application. Investors are, therefore, advised to ensure that their names appearing in the CKYC application form and in the POI document are same.

- Please note that you need to comply with the KYC requirements by submitting requisite documents to the Registrar/AMC/Fund or any SEBI registered KRA and attaching the KYC Acknowledgement with the Application Form. For more information, please log on to www.cvlindia.com / www.amfiindia.com, before investing.

Applications are liable to be rejected if KYC requirements are not complied with by all the applicants, and if KYC acknowledgement is not enclosed with the Application Form.

Please note that KYC applicability norms for various investor categories may change anytime in future. Hence, with a view to avoiding rejections, investors are requested to apprise themselves about KYC applicability before submitting their transactions.

In order to safeguard the interests of applicants and avoid fraudulent transactions in any other name, the Fund does not generally accept Third Party Payments. The first applicant has to be one of the joint holders of the bank account from which the payment is made via cheque/Funds transfer/RTGS/NEFT. Therefore, please mention the bank account number, bank name & branch address from where the payment is issued and ensure that they match with details on the payment instrument, where applicable.
 - Where the payment instrument does not mention the bank account holder's name(s), please attach bank pass book copy/bank statement (showing the account number, account holder's name and address)/bank letter (mentioning details like bank account number, branch address, account type etc.), with a view to substantiating that the first applicant is one of the joint holders of the bank account concerned.
